PRESIDENT'S REPORT

Another year has come and gone. We are in the new year and we have a lot of projects that will need the members attention.

I would like to point out to the members that as club officers it is not our responsibility to do all the work. This is your club! We need for the members to step forward and help with the work. What we get is members calling and complaining why the gongs aren't up yet. Why are backers shot up, etc. The answer is simple. You want someone else to do the work! You get a lot for your money at this club! Check around, some clubs charge you a extra \$50.00 a year if you don't show up for work days, plus their dues are \$200.00 a yr. Think about that! Come out and support your club!

We are currently cutting all the steel needed for the 300 yd. target stands, replacements for some of our current stands and the gongs.

We will need members that can weld, contact me. We will need to have everything built and ready to go for the spring workday. .We will also need members to help pick up all the rocks around the 300 yd. area. We don't want to damage the mower when we cut the grass.

We have contracted the work out for the concrete and hopefully we can get that done soon. Later in the year we will call a work day to build the roof over the rifle range area. I'm sure everyone has noticed how the pavilion by the pistol range is leaning. We are concerned that it could fall over. We will be taking it down soon and would request everyone stay clear of it until it can be removed.

I'm sure everyone can tell I'm upset about the lack of help on the workdays! But when maybe 5-10 members out of almost 650 show up for a workday and the average age is mid 60's. That's disappointing. I hope everyone will think about what I said and come out and help build your club.

Have a safe year!

Rick Rapert
President 67 Gun Club

E-Mail Address

The club has an email address of 67gunclubinc@gmail.com. If you are not receiving emails from the club and would like to, send us an email. Some members provided an email address to us but due to their email settings or handwriting not being able to be read on the application we cannot send some members emails. We send out a few emails a month reminding members of upcoming events and need to know news in the club.

48th ANNUAL AWARDS BANQUET

The 67 Gun Club has experienced another year coming to an end. With all things considered the club had only one incident during the year. That's one more than what should occur, so lets all strive for better results during 2015

This year will mark the 48th anniversary of your 67 Gun Club. With that in mind, Saturday, March 7th is the date for the Awards Banquet. Due to the closing of Charboneau's Restaurant the club was forced to find a new location. A lot of searching all boiled down to one choice, The Farmington Family Fun Center. Their restaurant made the club an offer which we believe will make it an excellent venue for the evening.

The buffet will consist of chicken, fish, catfish and turkey along with a great selection of vegetables, dressing, and potatoes with a nice offering of dessert items, all for only \$6.99 per person, drinks included. Also, if you would like to enjoy a cold beer it can be purchased at the front counter. But please drink responsible.

An enjoyable evening is awaiting all who attend. There will be several awards given to the clubs top shooters along with several door prizes. Please makes plans to attend the annual banguet, Saturday, March 7th, the doors will be open at 5:30pm.

A future date to keep in mind although two years away, but getting here fast, will be the 50th anniversary awards banquet. The club will be working on planning this event to make it a very special evening for all. This will be a milestone in your club's history.

Greg Robbs
Vice-President, 67 Gun Club

Range information

There are three locations at the range were information is posted for members. There is a small board at the doors to the men's and women's restrooms and a large board at pavilion at the handgun range. A copy of the match schedule and list of club officers and match captains with phone numbers is posted at these locations . We ask that members do not take these from the boards.

Match Rules and Cost have Changed

Make sure you read all the rules for the matches you have interest in, many have made changes. Some rules were changed by the match captain cut out confusion or to change it up a little. Also all matches have went up by \$5, for the first time in almost 10 years. The cost of targets and awards has climb over the years and this was needed. Enjoy the 2015 match season

HIGH-POWER AND VINTAGE/GARAND MATCH RULES

Contact Scott Meyer, 573-579-2308. Scott1461@att.net

The Vintage/Garand match allows military bolt or semi auto rifles. This includes M1 Garand's, M1 Carbines, M1A's, 1903 and 1903 A3 Springfield rifles, Mausers of many configurations and about any other military rifles. No Hikem type semi-autos. Handling this rifle improperly can cut off fingers. AR15's and modern match rifles may be used, but not for awards.

The High-Power match allows all of the rifles of the Vintage/Garand match and more modern rifles such as the AR15 and match bolt actions. Open sights, no scopes allowed.

We use adjusted NRA rules for both of these matches and refer to their regulations.

Cost: \$10

Equipment:

Rifle, 60+ rounds of ammunition, 2 magazines or stripper clips, a shooting mat, spotting scope and stand, a shooting coat will help, cap, staple gun with staples, safety glasses and ear protection. Heavy shoes or boots are recommended. A piece of carpet will work for a shooting mat. Bolt open indicators are required, we have some. Bring one if you have it.

Targets:

Standing and rapid sitting use SR1 targets. Rapid fire prone uses SR21. Slow fire prone target is MR31. These or NRA reduced targets for use at 100 yards. Maximum possible match score is 500.

Course of Fire:

Setup targets and sight in period about 1 hour.

All stages start with a 3 minute preparation period where we all get ready. Shooters prepare for each relay and build their position. No loading or firing is allowed.

Slow Fire Standing:

Shoot from a standing off hand position single load, without the use of sling or support. After the command to load, then fire, you have 10 minutes to fire 10 rounds single loading.

Rapid Fire Sitting:

We shoot from a sitting position with the use of a sling with a required magazine change. After the command to load, then fire, you have 60 seconds to fire 10 rounds with a required reload.

Rapid Fire Prone:

We shoot from a laying down (prone position) with the use of a sling with a required magazine change. After the command to load, then fire, you have 70 seconds to fire 10 rounds with a required reload.

Slow Fire Prone:

We shoot 2 strings of 10 rounds single loading with the use of a sling for support. There is 10 minutes allowed for each 10 round string.

Bullseye Handgun

For more information, contact Tony Miano - 573-756-046 - mianoarchitect@sbcglobal.net

A Bullseye Match is also known as an NRA Conventional pistol match and is shot according to NRA rules with a few club modifications. Cost per match is \$10

The match consists of three stages, 1) 50 yard Slow Fire in three strings of 10 shots in 10 minutes each. 2) 25 yd Timed Fire in three strings of 10 shots, fired 5 shots in 20 sec. reload, 5 shots in 20 sec. 3) 25 yd Rapid Fire in three strings of 10 shots, fired 5 shots in 10 sec., reload, 5 shots in 10 sec.

All shooting is one hand, unsupported. Firearms may be revolvers or pistols with iron sights, scopes or red-dots. A 900 match is shot with .22 rimfires. An 1800 is two 900 matches, the first shot with a 22 and the second shot with any center fire pistol or revolver. A 2700 match is three 900 matches, the first is a .22 match, the second is with any centerfire revolver or pistol, and the third is a .45 ca autoloading pistol. Those who wish to shoot only the first 900 rimfire may shoot the first portion of each match which will be scored as a 900 match.

These are club level matches and are an excellent introduction to competitive shooting as the equipment is readily available, the course of fire is simple, and a premium is placed on sight alignment and trigger control.

PPC HANDGUN MATCH

For more information, contact Greg Robbs at 573-701-5873

The PPC Match will require 45 rounds of center fire ammo each time you shoot a match. You may use a center fire double action revolver or a center fire auto loader handgun. You will need speed loaders and or extra magazines (three of each) for the handgun you use. A strong side holster is required (no cross draw or shoulder holsters allowed). You must have eye and ear protection along with a container to police your brass. A meeting will be held 1 hour prior to start time for any questions to be answered and to set match guidelines.

(FACTORY OPEN SIGHTS ONLY)

The entry fee will be \$10 per shooter, which will allow you to shoot as many times as you want. The only limit will be time and the number of shooters we have that day. All scores will be tallied with each shooter's best time recorded for the day. (NO DECLARING)

The four best shooter times at each match (3 matches) will all get together later in the year for a 3 match shootout for the top 4 shooters of the year.

Whichever handgun you choose to start the match with you must use each match during the year. NO CHANGING. If you enjoy shooting PPC don't miss the first match or any others.

COURSE OF FIRE:

3 Yards	5 Rounds strong hand no support from holster draw	5 Seconds
3 Yards	5 Rounds weak hand no support from ready draw	5 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds

Range Safety

Summer is here and the range will once again be busy with shooters honing their skills. Safety is a very important part of your shoot experience and should be number one on your mind. All shooters need to wear hearing and eye protection. In the past we have had shooters have weapon malfunctions have had powder or bullet fragments blow back in to the face. The use of eye protection has saved their eye sight.

The 67 Gun Club has a great safety record. If you are at the range and see someone not using safe shooting skills please ask them to correct their mistake. If the shooter gets confrontational or refuses, walk away and record the shooter's license plate number, later contact club leadership with the information.

Also remember that all weapons must be unloaded with the bolt to the rear before anyone goes down range to check targets. A chamber indicator should also be in place, indicators can be found on the post at the range.

Remember safety first and enjoy shooting!

E-Mail Updates

Want to get more range updates and current information on matches? E-mail the club at 67gunclubinc@gmail.com During the summer the Secretary will send out e-mail updates and news.

Shoot Safe and Enjoy the Summer

Range Improvements

Your club is trying to make your shooting experience enjoyable and to provide you a great range. To do this and to keep the cost down it helps if members volunteer their help. We have members from all knowledge backgrounds that can help. Right now the club is working a few projects that we hope will improve the range and make it a safer place to shoot. Here are just a few of the things we are working on.

- **Extend the rifle range canopy back 8 feet to allow more room during matches and range heavy use times**
 - The pad will be poured in the next month or two
 - Help will be required with setting new post, building the roof and sealing the old and new roof. Watch for news on a work day for this.

- **Installing of new gongs**
 - Come help at the spring work day to get these gongs installed on 25th of April.

- **Installing of 300 yard target backers**
 - This will be worked on during the spring work day on 25th of April

- **Removing and the replacement of the handgun pavilion that is leaning.**
 - Watch for more information on this project

This is just a few of the items we are working on If you wish to help or provide your helpful knowledge contact the club. This is your club.

Send in your pictures from the range

We are always looking for pictures taken at the range of shooters enjoying the range. Pictures will be posted on the club website. Please email them to 67qunclubinc@gmail.com

Safety First

Always Wear Ear and Eye Protection.

**Accidents happen when we least expect them.
Anything manufactured by man can malfunction.**
