Farmington, MO 63640-0255

## **PRESIDENT'S REPORT**

I'm looking forward to the start of a new year at the club. I hope all our members had a Merry Christmas!

We have taken possession of the trailer park and are in the process of having all the utilities removed except one electric meter. We have a person interested in scrapping out the trailers in exchange for the scrap. He will put the lumber in an area of the park so we can burn it. He will be allowed to work on two trailers at a time, and once he completes them he can move on to two other trailers.

We had two benches built for the Shotgun Patterning Area at the end of the High Power side of the range. Shotguns will only be allowed at that location.

Last year we had trouble getting enough help on work days. It had rained about a week straight before the spring workday, however stopped long enough to get that day in. We had a great turnout. The fall workday was a different story! We had a lot of things working against us, Halloween and the start of youth deer season. We decided to try something different this year. We are scheduling the spring workday a month later and the fall workday earlier in the month for better weather. I do hope members will come out and help the club on those days. We will put out email reminders.

I'm working on getting everything ready for the safety light system at this time. On the workday we will have to cut the trenches to the rifle and pistol ranges for the underground wiring and build the roof on the bench rest area. We will also have to do the general cleanup so that our club continues to look good!

I would like to remind everyone that this is the most important newsletter of the year, so hold on to it! It contains the match schedule, new key, and membership card. Remember to have your membership card on you when at the range.

I would also like to invite you to come out and shoot some matches with us. It is a great time and you will make some great friends in the process. In closing, I would like to ask everyone to have a safe time at the range, and I'll see you at the range.

Rick Rapert  
President 67 Gun Club

## March Business Meeting

The March business meeting is moving due to an event being held in the courthouse annex that night. Our March meeting will be held in the Farmington Chamber of Commerce building on North Washington Street in Farmington. This location is one block north of the courthouse annex with limited parking; additional parking is located next door at the Daily Journal building. The meeting starts at 7 pm.

---

### **49<sup>th</sup> ANNUAL AWARDS BANQUET 5 March 2016**

Another year has passed with the arrival of 2016, and the 67 Gun Club looks forward to this year being as big a success as the past years were. The Farmington Family Fun Center dining room will be a gracious host and accommodate the Gun Club once again this year. The buffet, salad bar, dessert bar with your drink included will be \$8.00 per person. If you wish to attend, we encourage everyone to begin arriving about 6:30 to eat and socialize with the awards and other business beginning 7:30 to 8pm. There will also be numerous door prizes to win. Please mark your calendars to attend this yearly get together. HOPE TO SEE YOU THERE!!!

Greg Robbs  
Vice-President, 67 Gun Club

---

## Range information

There are three locations at the range where information is posted for members. There is a small board at the doors to the men's and women's restrooms and a large board at pavilion at the handgun range. A copy of the match schedule and list of club officers and match captains with phone numbers is posted at these locations. We ask that members do not take these from the boards.

---

## Clean Up Your Mess

We remind members to not shoot items off the top of the target backers. Do not place water bottles, shotgun shells or anything else on the tops of the target backers to shoot off. We know it is fun but it also damages the top 2x4s quickly. Last year we spent over \$900 just on 2x4s for target repairs. And with that in mind we also ask that you clean up your mess after shooting. Our target repair person and the person that mows the grass have had to pick up a lot of shot up water bottles, paper targets blowing around, cardboard and other items people have been used as targets. It's your range take care of it.

---

## Come shoot in a match

Make sure you read all the rules for the matches you have interest in shooting. We have dropped a match or two but added a few new ones. Matches are designed for fun and to hone your shooting skills. Enjoy the 2016 match season

## HIGH-POWER AND VINTAGE/GARAND MATCH RULES

Contact Scott Meyer, 573-579-2308. [Scott1461@att.net](mailto:Scott1461@att.net)

The Vintage/Garand match allows military bolt or semi auto rifles. This includes M1 Garand's, M1 Carbines, M1A's, 1903 and 1903 A3 Springfield rifles, Mausers of many configurations and about any other military rifles. No Hikem type semi-autos. Handling this rifle improperly can cut off fingers. AR15's and modern match rifles may be used, but not for awards.

The High-Power match allows all of the rifles of the Vintage/Garand match and more modern rifles such as the AR15 and match bolt actions. Open sights, no scopes allowed.

We use adjusted NRA rules for both of these matches and refer to their regulations.

**Cost:** \$10

### **Equipment:**

Rifle, 60+ rounds of ammunition, 2 magazines or stripper clips, a shooting mat, spotting scope and stand, a shooting coat will help, cap, staple gun with staples, safety glasses and ear protection. Heavy shoes or boots are recommended. A piece of carpet will work for a shooting mat. Bolt open indicators are required, we have some. Bring one if you have it.

### **Targets:**

Standing and rapid sitting use SR1 targets. Rapid fire prone uses SR21. Slow fire prone target is MR31. These or NRA reduced targets for use at 100 yards. Maximum possible match score is 500.

### **Course of Fire:**

Setup targets and sight in period about 1 hour.

All stages start with a 3 minute preparation period where we all get ready. Shooters prepare for each relay and build their position. No loading or firing is allowed.

#### **Slow Fire Standing:**

Shoot from a standing off hand position single load, without the use of sling or support. After the command to load, then fire, you have 10 minutes to fire 10 rounds single loading.

#### **Rapid Fire Sitting:**

We shoot from a sitting position with the use of a sling with a required magazine change. After the command to load, then fire, you have 60 seconds to fire 10 rounds with a required reload.

#### **Rapid Fire Prone:**

We shoot from a laying down (prone position) with the use of a sling with a required magazine change. After the command to load, then fire, you have 70 seconds to fire 10 rounds with a required reload.

#### **Slow Fire Prone:**

We shoot 2 strings of 10 rounds single loading with the use of a sling for support. There is 10 minutes allowed for each 10 round string.

---

## **Bullseye Handgun**

For more information, contact Tony Miano - 573-756-046 - [mianoarchitect@sbcglobal.net](mailto:mianoarchitect@sbcglobal.net)

A Bullseye Match is also known as an NRA Conventional pistol match and is shot according to NRA rules with a few club modifications. Cost per match is \$10

The match consists of three stages, 1) 50 yard Slow Fire in three strings of 10 shots in 10 minutes each. 2) 25 yd Timed Fire in three strings of 10 shots, fired 5 shots in 20 sec. reload, 5 shots in 20 sec. 3) 25 yd Rapid Fire in three strings of 10 shots, fired 5 shots in 10 sec., reload, 5 shots in 10 sec.

All shooting is one hand, unsupported. Firearms may be revolvers or pistols with iron sights, scopes or red-dots. A 900 match is shot with .22 rimfires. An 1800 is two 900 matches, the first shot with a 22 and the second shot with any center fire pistol or revolver. A 2700 match is three 900 matches, the first is a .22 match, the second is with any centerfire revolver or pistol, and the third is a .45 ca autoloading pistol. Those who wish to shoot only the first 900 rimfire may shoot the first portion of each match which will be scored as a 900 match.

These are club level matches and are an excellent introduction to competitive shooting as the equipment is readily available, the course of fire is simple, and a premium is placed on sight alignment and trigger control.

## PPC HANDGUN MATCH

For more information, contact Greg Robbs at 573-701-5873

The PPC Match will require 45 rounds of center fire ammo each time you shoot a match. You may use a center fire double action revolver or a center fire auto loader handgun. You will need speed loaders and or extra magazines (three of each) for the handgun you use. A strong side holster is required (no cross draw or shoulder holsters allowed). You must have eye and ear protection along with a container to police your brass. A meeting will be held 1 hour prior to start time for any questions to be answered and to set match guidelines.

(FACTORY OPEN SIGHTS ONLY)

The entry fee will be \$10 per shooter, which will allow you to shoot as many times as you want. The only limit will be time and the number of shooters we have that day. All scores will be tallied with each shooter's best time recorded for the day. (NO DECLARING)

The four best shooter times at each match (3 matches) will all get together later in the year for a 3 match shootout for the top 4 shooters of the year.

Whichever handgun you choose to start the match with you must use each match during the year. NO CHANGING. If you enjoy shooting PPC don't miss the first match or any others.

### COURSE OF FIRE:

3 Yards	5 Rounds strong hand no support from holster draw	5 Seconds
3 Yards	5 Rounds weak hand no support from ready draw	5 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
15 Yards	5 Rounds strong hand with support from holster draw Reload	20 Seconds
	5 Rounds weak hand with support	
25 Yards	5 Rounds strong hand with support from holster draw Reload	60 Seconds
	5 Rounds strong hand with support Reload	
	5 Rounds kneeling using table top support	

### 3-Skills Drill

For More Information Contact Greg Robbs (573)701-5873 or E-Mail [robbs.greg@yahoo.com](mailto:robbs.greg@yahoo.com)

Entry Fee: \$10.00

This will not be a competition between shooters; it is only allowing you to see how you can perform in different situations. You will need ammo, ear and eye protection, your carry weapon and its holster. Three drills will be offered, you may try one or all, it's your choice.

1. Wizard Drill---5 rounds
2. F.A.S.T. Drill---6 rounds
3. Rip-Off Drill---12 rounds

You will be shooting these drills using a timer

## SCOPED RIMFIRE MATCH SCOPED RIMFIRE AT 50 YARDS

For information, please contact Rick Rapert, 573-701-0377 [rickrapert48@gmail.com](mailto:rickrapert48@gmail.com)

Fee: \$10.00 per match

**Target:** RBA 50yd target, consisting of 25 target blocks plus sighters.

**Scoring:** Each target block is worth 10 points, the innermost ring counts 10 points, Next ring is 9 points and each succeeding ring 1 point less,  
If a bullet touches a line or x shooter receives the highest point (best edge scoring)  
If a shot is within the target box but outside the largest ring, score is 4  
If more than one shot appears in target square, shooter receives lowest score minus 1  
A perfect score would be 250 25x  
A match will consist of 3 targets, for a possible score of 750-75x

**Time limit:** 20 minutes for 25 rounds.

**Sporter Class Rifle:** Any factory Rimfire rifle (22, 22Mag, 17 HMR, or 17 Mach 2)  
Any sporter or varmint weight barrel allowed. (non-OEM barrels will be allowed)  
Stock width cannot exceed 2 ½ inches at its widest point.  
Semi or full beavertail stock  
Forearm and butt stock that come in contact with front and rear sandbags must be convex, a small flat area where an accessory rail may be installed will be allowed  
Rifle must have a working safety.  
Tuners not allowed

**Scope:** 12X maximum. (Variable scopes will be taped.)

**Rest:** Sandbags must be used  
Front rest may be Hoppies, Caldwell, Hart, Sinclair, Etc., with sandbags touching stock. Bipods allowed.  
Rear, sandbag touching stock  
No one piece rest.

**Unlimited Class:** Any Rimfire rifle, any scope, any rest

## 100 YARD HUNTING RIFLE MATCH

For more information, contact Tom Bridgewater at 573-883-6953

Any Centerfire Hunting Rifle .243-6MM minimum caliber with a semi or full beavertail stock with scope. No muzzle brakes, ported barrels or tuners allowed. ## Range Safety

Summer is here and the range will once again be busy with shooters honing their skills. Safety is a very important part of your shoot experience and should be number one on your mind. All shooters need to wear hearing and eye protection. In the past we have had shooters have weapon malfunctions causing powder, bullet fragments and weapon fragments blow back in to the face. The use of eye protection has saved their eye sight.

The 67 Gun Club has a great safety record. If you are at the range and see someone not using safe shooting skills please ask them to correct their mistake. If the shooter gets confrontational or refuses, walk away and record the shooter's license plate number, later contact club leadership with the information.

Also remember that all weapons must be unloaded with the bolt to the rear or removed before anyone goes down range to check targets. A chamber indicator should also be in place, indicators can be found on the post at the range.

Remember safety first and enjoy shooting!

---

## E-Mail Updates

Want to get more range updates and current information on matches? E-mail the club at [67gunclubinc@gmail.com](mailto:67gunclubinc@gmail.com) During the summer the Secretary will send out e-mail updates and news.

---

## *Shoot Safe and Enjoy the Summer*

# Range Improvements

Your club is trying to make your shooting experience enjoyable and to provide you a great range. To do this and to keep the cost down it helps if members volunteer their help. We have members from all knowledge backgrounds that can help. Right now the club is working a few projects that we hope will improve the range and make it a safer place to shoot. Here are just a few of the things we are working on.

- **Extend the rifle range canopy back 8 feet to allow more room during matches and range heavy use times**
  - The pad was poured last summer
  - Help will be required with setting new post, building the roof and sealing the old and new roof. Come help during the spring work day to complete this project.
  
- **Installing of range warming light system**
  - Most of the equipment has been purchased over the winter.
  - Come help during the spring work day to install this project
  
- **Clean up of the old trailer park**
  - We have someone tearing down the old trailers right now.
  - Clean up of the grounds will be needed after the trailers have been destroyed

This is just a few of the items we are working on If you wish to help or provide your helpful knowledge contact the club. This is your club.

## Send in your pictures from the range

We are always looking for pictures taken at the range of shooters enjoying the range. Pictures will be posted on the club website. Please email them to [67gunclubinc@gmail.com](mailto:67gunclubinc@gmail.com)
