P.O. Box 255
Farmington, MO 63640-0255

PRESIDENT'S REPORT

I want to let everyone know that at the Jan. 17, 2017 meeting that we were forced to cancel the 2016 Annual Awards Banquet that was to be held on March 4, 2017. We just found out that the two venues we have used in the past have went out of business. At this late stage we felt it would be impossible to find another location that could serve our needs. We will contact the members and make sure everyone gets their awards.

The election for new officers for 2017 will be held at the March 21st. 7:00pm meeting at the Court Annex, 3rd floor. I would request that all members who want to vote in this election to attend. This election will determine the direction you want your club to go! Come to the meeting and vote!!

As everyone knows by now, we have had several break-ins at the club last year. They stole our John Deere Gator, trailer, welder, cutting torches, air compressor, and numerous other items. Over the past several years it is estimated the club has suffered losses of around \$23,000.00. We cannot continue to suffer these type of losses.

We have been trying to figure out the best way to secure our property. We know that if a thief wants to get in, they will. We hope that we can make it look so difficult that they will go somewhere else or it delays them until the police can get there. What we have come up with to protect our property is a three stage plan. Stage 1- Alarm system, video camera system, and dusk to dawn lights. Stage 2- Card reader gate system. Stage 3 - A three cable barrier fence system that will extend along the front of the property, along the property line by the junk yard and behind the block wall.

We estimate the cost of these security measures to be approx. \$30,000.00! We discussed how we would pay for these improvements. Based on the number of members we have, do we assess a one-time \$50.00 security fee per member? Do we ask the members for donations for the security measures?

We decided to ask the members for donations instead of an assessment at this time. I have personally donated \$100.00 to the club and challenge every board member and range officer and RSO's to do the same. I think our members realize that we have a very nice club that has very reasonable dues. I know that all donations will be used to improve the security of the club. I hope all members will agree and send in a \$50.00 donation so we can proceed with protecting the club.

During our last workday we were finally able to do the trenching for the safety light system. The safety light system is now complete. We will let everyone know in a email when to start using the system. We also installed the 200 & 300 yd. gongs. I would like to remind everyone that .50 CAL. or MAGNUM rounds are NOT to be shot at the gongs. We came up short on tin for the roof on the rifle range, but we now have it on hand and when the weather breaks we will need help in completing the roof. The pistol range berm was repaired and trees were trimmed.

I know there has been times I have been critical of poor showings on workdays in the past, but I am very proud of how the members came out and pitched right in and did all the work we had to complete in the fall of 2016. They all did a fantastic job! Thank you.

I would also like to remind everyone that this is the 50th Anniversary of the 67 Gun Club . We are putting together a celebration dinner in honor of the founding members of our club. We are looking to have it around July and as details are worked out we will be letting everyone know in future emails.

I would like to invite our members to come out and shoot in some of our matches. They are a lot of fun and you will meet some nice people and make new friends. Remember, always practice safety and be safe at the range!

Rick Rapert
President 67 Gun Club

50th ANNUAL AWARDS BANQUET CANCELLED

Due to the recent closing of the restaurant in the Farmington Family Fun Center and another location, we had as backup, we are without a venue to hold our annual awards banquet. We will hold the annual election of officers at the business meeting on the 21st of March. The awarding of the awards will be done later in the year at the clubs 50th Anniversary Banquet currently being planned. We will be working to locate a new venue to have the annual banquet for next year and beyond.

March Business Meeting / Officer Elections

Due to the canceling of the annual awards banquet this year the election of Officers will be held at the March 21st business meeting. Our business meetings are held at the St. Francois County Courthouse Annex in downtown Farmington. Meetings start at 7 pm and are on the third floor of the Annex building. Due to the county's requirement that the building must stay locked, we will have someone standing at the Entrance at the main parking lot door to let you in between 6:45 and 7:00. If you come late the door will be locked after the 7pm time. Please come out and vote for your officers.

Message from the Vice-President

Hello everyone. Hope you had a great year. There will be a couple of new matches this year, they should be interesting and details will be in the match rules. Hopefully we will get good participation in these new matches. I have been trying to keep the backers in shape but it's been pretty sloppy on the range lately. Please remember not to shoot shotguns at the rifle backers and nothing on top of them to shoot at. Also the pistol backers are not to be removed from the pistol range. Hope to see you at the range have fun and be safe.

Thanks. Tom Bridgewater

Found

This past fall a member found a set of hearing aids at the range. The hearing aids were turned in to us but we still have not located the owner. If these are yours, please contact Larry LaChance at 573-518-9000

50th Anniversary

This year marks the Club's 50th year. 50 Years ago a small group of men got together and started the 67 Gun Club Inc. to have a safe place to enjoy the shooting sport and share it with their friends. To celebrate this event the club will have a 50th Anniversary banquet this summer. Right now we are working out the location, menu, and cost. We should have the date in the next few weeks; we are looking at a Saturday in mid-July. As soon as all the details have been set we will mail out each member an invitation and a cost to purchase tickets. Come out, meet and talk to some of the club's founding members, enjoy dinner and win a few nice prizes. More information coming soon.

Come shoot in a match

Make sure you read all the rules for the matches you are interested in shooting. We have dropped a match or two but added a few new ones; also some have had a few minor rules changes. Matches are designed for fun and to hone your shooting skills. Enjoy the 2017 match season

2107 Changes in the Works

We are currently working on new projects and completing a few older one. We are always working to improve the range, to make it a safer and more enjoyable place to shoot. .

Completing projects:

- Roof extension – The last of the metal for the roof is on site, we will set a date soon to complete the roof.
- Range warning light system – Everything is installed and it will be in use in the next few weeks.
- Building alarm system and camera system – A contractor will be installing in the next few weeks.
- Gongs at 200 and 300 yards – Completed and in use.
- Removal of the trailers in the old trailer park – This is in progress and should be completed this summer

Projects in the works:

- New Main Gate – Working on an automatic gate system that uses a key card. This will make it easier to enter and leave the range, end the making and mailing of keys yearly, control access and quicker entry in to the range by emergency vehicles in the event of an accident.
 - Cable fence barrier – Working on the plans for a cable barrier along the road and along the north side to the wall. We have had ATVs and people entering the range in these areas stealing and damaging the building.
 - Replacement of the storage unit at the handgun range – We are looking at a steel storage box to replace the old one that has been damaged by thieves and rusting out badly.
 - Outdoor lighting – We are working to light up the areas around the buildings. Currently the area is dark at night and by adding lights we hope to keeps the break-ins down and allow the cameras to get a better picture.
-

Take Care of Your Range

The officers are working to give everyone a great range to use but it takes everyone's help. When you're at the range clean up after yourself, put trash in the trash cans and empty the trash cans in to the dumpster when full. Don't shoot items off the top of the backers, we all think we are great shooters but we all miss the mark. The missed shots tear up the 2x4 tops and then have to be replaced often. The club spends one to two hundred a year in lumber to repair backer frames that people have shot up for fun. Don't shoot the backers with shotguns; one shotgun blast destroys the black backer material. We have two benches set up to the right by the brim just for shotgun use, use the orange fencing on the poles as your backer. If you take care of the range we can keep costs down and keep your dues down longer.

NRA Membership

As part of your membership in to the 67 Gun Club you must keep your NRA Membership up to date. You can renew your NRA membership though the 67 Gun Club and save some money and also help the club. When you renew or start your membership to the NRA with the 67 Gun Club the club gets a commission that we use to maintain and improve the range. When your NRA Membership is due contact the club Secretary to help you.

Safety Tip

When someone is down range ALL weapons are to be unloaded with actions open. No one is to touch a weapon when someone is downrange.

Work Days

Each year we have two work days, one in the spring and one in the fall. We use these work days to work on special projects and to do clean up. We know that not everyone can come out to help due to work schedules, health issues and other already planned events. But we ask you if you can come out please do, we always need the help. You can help better the range, meet some of your fellow shooters and make new friends. There is always something for someone to do.

Monthly Business Meeting

Each month on the third Tuesday at 7 pm the club has a meeting to work on project updates, go over ideas, plan for events and basic business of the club. Each month we have normally the same 10-20 members there to conduct the business out of the 550-625 members in the club. We don't ask you to come to every meeting but try to come to a few.

Match Rules

If you shoot or plan to shoot in any of the matches this year be sure to read over the rules. Some match rules have changes so don't get caught off guard. There are also a few new matches and a change in match captains. Be up to date, know the rules, and have fun.

Emails

We email everyone that has given us a email address when we have updates to range closings or information that we need to get out fast. If you provide us with an email address one year and then don't the next year we delete your email address. If you have provided us your email and have not seen an email from the club, check your junk email folder.

Change of Mailing Address

If you move notify the club secretary by email or US mail that you have a change of mailing address. The way that we send out mailings is the US Postal Service, they will not forward the mail to you, they send it back to us. We use a bulk mailing that does not allow forwarding of mail to keep our cost down. The club email is 67gunclubinc@gmail.com

Treat every gun as if it was loaded

2017 Match Schedule

Range will close 1 hour before match time

MARCH

HIGH-POWER AND VINTAGE/GARAND MATCH RULES

Contact Scott Meyer, 573-579-2308. Scott1461@att.net

The Vintage/Garand match allows military bolt or semi auto rifles. This includes M1 Garand's, M1 Carbines, M1A's, 1903 and 1903 A3 Springfield rifles, Mausers of many configurations and about any other military rifles. No Hikem type semi-autos. Handling this rifle improperly can cut off fingers. AR15's and modern match rifles may be used, but not for awards.

The High-Power match allows all of the rifles of the Vintage/Garand match and more modern rifles such as the AR15 and match bolt actions. Open sights, Red Dots and scopes using power of 4.5 or less.

We use adjusted NRA rules for both of these matches and refer to their regulations.

Cost: \$10

Equipment:

Rifle, 60+ rounds of ammunition, 2 magazines or stripper clips, a shooting mat, spotting scope and stand, a shooting coat will help, cap, staple gun with staples, safety glasses and ear protection. Heavy shoes or boots are recommended. A piece of carpet will work for a shooting mat. Bolt open indicators are required, we have some. Bring one if you have it.

Targets:

Standing and rapid sitting use SR1 targets. Rapid fire prone uses SR21. Slow fire prone target is MR31. These or NRA reduced targets for use at 100 yards. Maximum possible match score is 500.

Course of Fire:

Setup targets and sight in period about 1 hour.

All stages start with a 3 minute preparation period where we all get ready. Shooters prepare for each relay and build their position. No loading or firing is allowed.

Slow Fire Standing:

Shoot from a standing off hand position single load, without the use of sling or support. After the command to load, then fire, you have 10 minutes to fire 10 rounds single loading.

Rapid Fire Sitting:

We shoot from a sitting position with the use of a sling with a required magazine change. After the command to load, then fire, you have 60 seconds to fire 10 rounds with a required reload.

Rapid Fire Prone:

We shoot from a laying down (prone position) with the use of a sling with a required magazine change. After the command to load, then fire, you have 70 seconds to fire 10 rounds with a required reload.

Slow Fire Prone:

We shoot 2 strings of 10 rounds single loading with the use of a sling for support. There is 10 minutes allowed for each 10 round string.

Bullseye Handgun

For more information, contact Tony Miano - 573-756-046 - mianoarchitect@sbcglobal.net

A Bullseye Match is also known as an NRA Conventional pistol match and is shot according to NRA rules with a few club modifications. Cost per match is \$10

The match consists of three stages, 1) 50 yard Slow Fire in three strings of 10 shots in 10 minutes each. 2) 25 yd Timed Fire in three strings of 10 shots, fired 5 shots in 20 sec. reload, 5 shots in 20 sec. 3) 25 yd Rapid Fire in three strings of 10 shots, fired 5 shots in 10 sec., reload, 5 shots in 10 sec.

All shooting is one hand, unsupported. Firearms may be revolvers or pistols with iron sights, scopes or red-dots. A 900 match is shot with .22 rimfires. An 1800 is two 900 matches, the first shot with a 22 and the second shot with any center fire pistol or revolver. A 2700 match is three 900 matches, the first is a .22 match, the second is with any centerfire revolver or pistol, and the third is a .45 ca autoloading pistol. Those who wish to shoot only the first 900 rimfire may shoot the first portion of each match which will be scored as a 900 match.

These are club level matches and are an excellent introduction to competitive shooting as the equipment is readily available, the course of fire is simple, and a premium is placed on sight alignment and trigger control.

PPC HANDGUN / BACKUP HANDGUN MATCH

For more information, contact Greg Robbs at 573-701-5873

The PPC Match will require 45 rounds of center fire ammo each time you shoot a match. You may use a center fire double action revolver or a center fire auto loader handgun. You will need speed loaders and or extra magazines (three of each) for the handgun you use. A strong side holster is required (no cross draw or shoulder holsters allowed). You will also need a strong side or weak side holster, whichever you choose for your back up gun. Back up gun must have 3.5 inch barrel or shorter with five round capacity. You must have eye and ear protection along with a container to police your brass. A meeting will be held 1 hour prior to start time for any questions to be answered and to set match guidelines.(FACTORY OPEN SIGHTS ONLY)

The entry fee will be \$10 per shooter, which will allow you to shoot as many times at you want. The only limit will be time and the number of shooters we have that day. All scores will be tallied with each shooter's best time recorded for the day. (NO DECLARING)

The four best shooter times at each match (3 matches) will all get together later in the year for a 3 match shootout for the top 4 shooters of the year.

Whichever handgun you choose to start the match with you must use each match during the year. NO CHANGING. If you enjoy shooting PPC don't miss the first match or any others.

All PPC rounds will be at center mass

All Backup rounds will be at brain cavity (3x5 card)

COURSE OF FIRE:

3 Yards	5 Rounds strong hand no support from holster draw	5 Seconds
3 Yards	5 Rounds no support from backup holster draw	5 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
7 Yards	5 Rounds no support from backup holster draw	8 Seconds
15 Yards	5 Rounds strong hand with support from holster draw Reload	20 Seconds
25 Yards	5 Rounds backup holster draw with support 5 Rounds strong hand with support from holster draw Reload	60 Seconds
	5 Rounds strong hand with support Reload	
	5 Rounds strong hand with support	

100 YARD HUNTING RIFLE MATCH

For more information, contact Tom Bridgewater at 573-883-6953

Any Factory Centerfire Hunting Rifle .243-6MM minimum caliber with a semi or full beavertail stock with scope. No muzzle brakes, ported barrels or tuners allowed. Semi-automatic rifles allowed but must use a brass catcher. Maximum scope power 6X, (variable scopes will be taped and cannot be used as a spotting scope) Entry fee \$10.00. Match will be 25 rounds per competitor, plus sighting shots.

Target: NBRSA 100 Yard Hunter Class Rifle Target #HBR-1. (5 Targets, plus sighter target per sheet.) One shot per each scoring target on the target sheet. (5 shots maximum per sheet on scoring targets. Unlimited rounds on the sighter target.) Competitors will be given 15 minutes per target sheet.

Scoring: Each target has a value of 6 to 10 points plus an X.
Two or more shots on a record target, the lowest scoring shot will be recorded.
Possible points per target sheet, 50 points, 5X.
Possible points per match, 250 points, 25X. (Competitors will use 5 target sheets.)

Rests: Sand bags must be used.
Front: May be Hoppies, Caldwell, Sinclair, Hart, Etc., with sand bag contacting rifle stock. Bipods allowed.
Rear: Sand bag touching the stock.
No one piece rest!

Custom guns will be in an unlimited class. (Custom means – custom action, custom stock, benchrest barrel or no safety).

SCOPED RIMFIRE MATCH SCOPED RIMFIRE AT 50 YARDS

For information, please contact Rick Rapert, 573-701-0377 rickrapert48@gmail.com

Fee: \$10.00 per match

Target: RBA 50yd target, consisting of 25 target blocks plus sighters.

Scoring: Each target block is worth 10 points, the innermost ring counts 10 points,
Next ring is 9 points and each succeeding ring 1 point less,
If a bullet touches a line or x shooter receives the highest point (best edge scoring)
If a shot is within the target box but outside the largest ring, score is 4
If more than one shot appears in target square, shooter receives lowest score minus 1
A perfect score would be 250 25x
A match will consist of 3 targets, for a possible score of 750-75x

Time limit: 20 minutes for 25 rounds.

Sporter Class Rifle: Any factory Rimfire rifle (22, 22Mag, 17 HMR, or 17 Mach 2)
Any sporter or varmint weight barrel allowed. (non-OEM barrels will be allowed)

The objective is to knock all of the pins off of the table or sawhorses.

Each class is scored by time.

You will have up to 20 seconds to clear all of the pins.

If all pins are not cleared it will be a no score.

The front legs of the tables and sawhorses will be set at 25 feet from where the shooters will stand.

There will be 3 rounds of shooting in each class with a time for each round.

The three rounds will be used to get the average.

The 22 classes and the pocket classes will be on sawhorses all other classes will be on the tables center fire single action can be on both.

2 GUN / 3 GUN MATCH

For more information contact Greg Robbs at (573)701-5873

2 gun match starts at 9:00 am, 3 gun match starts at 12::00 noon.

You are not be required to participate in both matches

ENTRY FEE \$10

2 GUN MATCH

Rifle must be .223 cal (auto loader only, any sights)

Hand gun must be center fire (auto loader only, factory sights)

You will need two mags for your rifle - 5 round capacity each

You will need one mag for your hand gun - 5 round capacity

You will need a strong side hand gun holster (no shoulder or cross draw)

EYE and EAR protection needed and your ammo

COURSE OF FIRE

On timer beep, you will take one step forward, rifle first, place 5 rounds down range to target. Now draw your hand gun (Strong Hand Only) and place 5 rounds down range to target. Re-holster hand gun, drop empty mag from rifle, place new mag with 5 rounds into rifle and put 5 more rounds down range to target.

THIS IS A TIMED MATCH

3 GUN MATCH

For more information contact Greg Robbs at [\(573\)701-5873](tel:5737015873)

This match will be two strings of fire

COURSE OF FIRE:

Hand gun, four steel plates, 20 yards

Shot gun, 20 yards, steel cowboys with pop up target (12 gauge works best)

Rifle, two silhouette targets at 50 and 75 yards (double tap each target)

Then repeat the course of fire

THIS IS A TIMED MATCH

Each shooter must complete course of fire twice for an average time

You will need EYE and EAR protection, all the ammo you will need, any hand gun (any sights), any shotgun (NO STEEL SHOT), any rifle (center fire or rim fire, any sights)

Each shooter may shoot the course as many times as they want, all scores will be tallied at the end of the match day. The best course time you have that day will be your match ending score. (NO DECLARING)

All final scores will be reviewed with the top single score as the best for the day.

200/300 YARD CENTERFIRE VARMINT MATCHES

For more information, contact Rick Rapert, 573-701-0377, rickrapert48@gmail.com

Any Factory Centerfire Varmint rifle .22cal - .30cal with a working safety, no magnums. Custom barrels will be allowed. No muzzle brakes, ported barrels or tuners. Any scope allowed.

Entry fee \$10.00 per match.

Range Safety

Summer is here and the range will once again be busy with shooters honing their skills. Safety is a very important part of your shoot experience and should be number one on your mind. All shooters need to wear hearing and eye protection. In the past we have had shooters have weapon malfunctions causing powder, bullet fragments and weapon fragments blow back in to the face. The use of eye protection has saved their eye sight.

The 67 Gun Club has a great safety record. If you are at the range and see someone not using safe shooting skills please ask them to correct their mistake. If the shooter gets confrontational or refuses, walk away and record the shooter's license plate number, later contact club leadership with the information.

Also remember that all weapons must be unloaded with the bolt to the rear or removed before anyone goes down range to check targets. A chamber indicator should also be in place, indicators can be found on the post at the range.

Remember safety first and enjoy shooting!

E-Mail Updates

Want to get more range updates and current information on matches? E-mail the club at 67gunclubinc@gmail.com During the summer the Secretary will send out e-mail updates and news.

Shoot Safe and Enjoy the Summer

Send in your pictures from the range

We are always looking for pictures taken at the range of shooters enjoying the range. Pictures will be posted on the club website. Please email them to 67gunclubinc@gmail.com

Safety First

Always Wear Ear and Eye Protection.

**Accidents happen when we least expect them.
Anything manufactured by man can malfunction.**

Gongs

Gongs are installed at 200 and 300 yards for your shooting pleasure. These gongs are not cheap to purchase and maintain. We ask shooters to not use steel core ammo or armor piercing rounds on the gongs. Do not shoot the chains that hold the gongs, we have some members that think shooting the chains are fun. If you want gongs at 50 or 100 yards, bring your own to shoot. The gongs the club placed at 50 and 100 yards were shot full of holes and shot off the chains in just one week. The gongs are made of $\frac{3}{4}$ " thick Ar500 steel and can steel be damaged with some ammo.

Annual Swap Meet

21 October 2017, 9am – 2pm

Each year in October the club has a swap meet to buy and sell everything gun related. Come out and sell some of your stuff, come buy and come look and talk. There are rifles, shotguns, handguns, scopes, reloading equipment and supplies, gun cases, ammo, and many more items.
