Third Tuesday of the month  
St. Francois County Courthouse  
Annex at 7:00 p.m.

### **Mailing Address**

67 Gun Club Inc.  
P.O. Box 255  
Farmington, MO 63640-0255

## **PRESIDENT'S REPORT**

This will be my last message as the President of the 67 Gun Club. It has been an honor and pleasure serving the club for the past 12 years. It was a great honor at the December meeting for the members and board to award me a Distinguished Life Membership for my work with the club, and let me join the ranks of our founding members! I will forever be grateful!

It is time for new leadership to take over and continue to keep the club growing. I want to thank the other board members for all their hard work and support in the growth of the club. I also want to thank the membership for putting their trust and support in me and allowing me to serve. I hope everyone will continue to support and work with the new board.

I hope everyone has noticed the improvements that are currently underway. We have installed the security cameras and alarm system, the new electronic gate, the material for the security fence is on order and will be ready to be installed along the front of the property, and are currently installing the security lights. All of these improvements have been paid for with the \$40.00 assessment fee from last year. We try very hard to get the best value for the club and keep the dues low.

I was able to get 54 loads of dirt delivered for berm repairs and future projects. At no cost to the club! We had some damage to the pistol area parking lot when the dump trucks delivered the dirt. We will repair that and add rock to the other parking areas and road. I also obtained a 25' commercial flag pole that will also be installed in the spring.

I will continue to run the 50Yd. Rim fire and Harry White matches until a replacement can be found. Tom Bridgewater will be running all the Hunting and Varmint rifle matches. Come out and shoot with us, it's a blast!

Again, Thank you for all your support over the years and God Bless each and every one of you!

Rick Rapert  
President 67 Gun Club

## **52<sup>th</sup> ANNUAL AWARDS BANQUET**

This year's annual Awards Banquet will be held on 2 March 2019 at the Leadington VFW Hall, located at 600 E. Woodlawn Dr. in Leadington. We will start at 6pm with the dinner catered by the Big Dick's BBQ, serving pulled pork and pulled chicken with two sides, and ice tea and lemonade. Cost is \$18 if is paid in advance or \$20 per person at the door. We need a head count by 20 February. Tickets can be purchased in person at 22 Crane St. in Park Hills or by mailing a check with your name to 67 Gun Club Inc, PO Box 255, Farmington MO 63640. Come out and have a great meal and enjoy time with your fellow members. We will also hold the annual election of officers for 2019 and pass out the awards for the 2018 matches.

There will be door prizes and maybe a few silent auction items.

---

### **Gate Key Cards**

Your gate key card that you picked up last year is the same card you will use this year. With these cards we can turn them on and off as needed. If you have not gotten your gate key card you have to pick it up in person and sign for it. Cards may be picked up at 22 Crane St. in Park Hills Monday – Friday 8:30 am to 4:30 pm.

---

### **Damage to Range**

Anyone caught damaging the range, backers, buildings or anything else will have their membership revoked. Keep in mind there are cameras all round the range and more being added. This past year we did have a member shooting the bolt heads on the rifle range backers. This caused the metal welded tabs to come off and disabled this backer for a few weeks. This was all caught on camera the members was talked to.

---

### **Ensure the Gate is Closed**

When entering and exiting the range the gate will close automatically 10 sec after driving through the gate. During snow or icing conditions the sensor may get buildup on it and keep gate open. We asked that you watch the gate close during the winter weather.

---

### **Come shoot in a match**

Make sure you read all the rules for the matches you are interested in shooting. We have some have had a few minor rules changes. Matches are designed for fun and to hone your shooting skills. Enjoy the 2019 match season. Remember the matches are for fun and to help you improve your shooting skills.

---

## **Down Range Warning System, USE IT!**

## **2109 Changes in the Works**

We are currently working on new projects and completing a few older one. We are always working to improve the range, to make it a safer and more enjoyable place to shoot.

2018 Projects completed:

- Replacement of main gate with a key card system.
- Handgun range storage container replaced

Completing projects:

- Removal of the trailers in the old trailer park – All trailers have been crushed and piled up to be burnt or hauled off this spring.
- Outdoor lighting – We are working to light up the areas around the buildings. Some lights have been install and we are working on more.

Projects in the works:

- Cable fence barrier – Material has been ordered and this will be completed in the spring.
  - New flag pole – We got a good deal on a used commercial flag pole. Should have this install in the spring.
- 

## **Take Care of Your Range**

The officers are working to give everyone a great range to use but it takes everyone's help. When you're at the range clean up after yourself, put trash in the trash cans and empty the trash cans in to the dumpster when full. Don't shoot items off the top of the backers, we all think we are great shooters but we all miss the mark. The missed shots tear up the 2x4 tops and then have to be replaced often. The club spends one to two hundred a year in lumber to repair backer frames that people have shot up for fun. Don't shoot the backers with shotguns; one shotgun blast destroys the black backer material. We have two benches set up to the right by the brim just for shotgun use, use the orange fencing on the poles as your backer. If you take care of the range we can keep costs down and keep your dues down longer.

---

## **NRA Membership**

As part of your membership in to the 67 Gun Club you must keep your NRA Membership up to date. You can renew your NRA membership though the 67 Gun Club and save some money and also help the club. When you renew or start your membership to the NRA with the 67 Gun Club the club gets a commission that we use to maintain and improve the range. When your NRA Membership is due contact the club Secretary to help you.

---

## **Safety Tip**

When someone is down range ALL weapons are to be unloaded with actions open. No one is to touch a weapon when someone is downrange.

---

**Wear Eye and Ear Protection Always at the Range**

## **Work Days**

Each year we have two work days, one in the spring and one in the fall. We use these work days to work on special projects and to do clean up. We know that not everyone can come out to help due to work schedules, health issues and other already planned events. But we ask you if you can come out please do, we always need the help. You can help better the range, meet some of your fellow shooters and make new friends. There is always something for someone to do.

---

## **Monthly Business Meeting**

Each month on the third Tuesday at 7 pm the club has a meeting to work on project updates, go over ideas, plan for events and basic business of the club. Each month we have normally the same 10-20 members there to conduct the business out of the 500 plus members in the club. We don't ask you to come to every meeting but try to come to a few. It always good to get input from the members.

---

## **Match Rules**

If you shoot or plan to shoot in any of the matches this year be sure to read over the rules. Some match rules have changes so don't get caught off guard. There are also a few new match captain changes. Be up to date, know the rules, and have fun.

---

## **Emails**

### **Keep up to date with up to the minute information.**

We email everyone that has given us an email address when we have updates to range closings or information that we need to get out fast. If you have provided us your email and have not seen an email from the club, check your junk email folder.

---

## **Change of Mailing Address**

If you move notify the club secretary by email or US mail that you have a change of mailing address. The way that we send out mailings with the US Postal Service, they will not forward the mail to you, they send it back to us. We use a bulk mailing that does not allow forwarding of mail to keep our cost down. The club email is 67gunclubinc@gmail.com

---

## **2019 Membership Card**

Your 2019 67 Gun Club Membership Card is attached to the front cover of this newsletter. Please remove it and have it on you at all times at the range. If asked to show your membership card please show it without problems. Anyone that will not show their membership card will be asked to leave the range.

# 2019 Match/Event Schedule

Range will close 1 hour before match time

## MARCH

March 2	Saturday	<b>ANNUAL BANQUET</b>	6pm – 9pm	Leadington VFW

# HIGH-POWER AND VINTAGE/GARAND MATCH RULES

Contact Scott Meyer, 573-579-2308. Scott1461@att.net

The Vintage/Garand match allows military bolt or semi auto rifles. This includes M1 Garand's, M1 Carbines, M1A's, 1903 and 1903 A3 Springfield rifles, Mausers of many configurations and about any other military rifles. No Hikem type semi-autos. Handling this rifle improperly can cut off fingers. AR15's and modern match rifles may be used, but not for awards. The High-Power match allows all of the rifles of the Vintage/Garand match and more modern rifles such as the AR15 and match bolt actions. Open sights, Red Dots or scopes of any power allowed for High Power Matches.

We use adjusted NRA rules for both of these matches and refer to their regulations.

**Cost:** \$10

## **Equipment:**

Rifle, 60+ rounds of ammunition, 2 magazines or stripper clips, a shooting mat, spotting scope and stand, a shooting coat will help, cap, staple gun with staples, safety glasses and ear protection. Heavy shoes or boots are recommended. A piece of carpet will work for a shooting mat. Bolt open indicators are required, we have some. Bring one if you have it.

## **Targets:**

Standing and rapid sitting use SR1 targets. Rapid fire prone uses SR21. Slow fire prone target is MR31. These or NRA reduced targets for use at 100 yards. Maximum possible match score is 500.

## **Course of Fire:**

Setup targets and sight in period about 1 hour.

All stages start with a 3 minute preparation period where we all get ready. Shooters prepare for each relay and build their position. No loading or firing is allowed.

### **Slow Fire Standing:**

Shoot from a standing off hand position single load, without the use of sling or support. After the command to load, then fire, you have 10 minutes to fire 10 rounds single loading.

### **Rapid Fire Sitting:**

We shoot from a sitting position with the use of a sling with a required magazine change. After the command to load, then fire, you have 60 seconds to fire 10 rounds with a required reload.

### **Rapid Fire Prone:**

We shoot from a laying down (prone position) with the use of a sling with a required magazine change. After the command to load, then fire, you have 70 seconds to fire 10 rounds with a required reload.

### **Slow Fire Prone:**

We shoot 2 strings of 10 rounds single loading with the use of a sling for support. There is 10 minutes allowed for each 10 round string.

---

## **Bullseye Handgun**

For more information, contact Tony Miano - 573-756-0462 [tony@mianoarchitect.com](mailto:tony@mianoarchitect.com)

A Bullseye Match is also known as an NRA Conventional pistol match and is shot according to NRA rules with a few club modifications. Cost per match is \$10

The match consists of three stages, 1) 50 yard Slow Fire in three strings of 10 shots in 10 minutes each. 2) 25 yd Timed Fire in three strings of 10 shots, fired 5 shots in 20 sec. reload, 5 shots in 20 sec. 3) 25 yd Rapid Fire in three strings of 10 shots, fired 5 shots in 10 sec., reload, 5 shots in 10 sec.

All shooting is one hand, unsupported. Firearms may be revolvers or pistols with iron sights, scopes or red-dots. A 900 match is shot with .22 rimfires. An 1800 is two 900 matches, the first shot with a 22 and the second shot with any center fire pistol or revolver. A 2700 match is three 900 matches, the first is a .22 match, the second is with any centerfire revolver or pistol, and the third is a .45 ca autoloading pistol. Those who wish to shoot only the first 900 rimfire may shoot the first portion of each match which will be scored as a 900 match.

These are club level matches and are an excellent introduction to competitive shooting as the equipment is readily available, the course of fire is simple, and a premium is placed on sight alignment and trigger control.

The scheduling of this year's Bullseye matches will be a bit different. We will shoot matches on Wednesday evenings, twice a month during June, July and August. The matches will be 900's and the first one of the month with rimfire, the second one will be centerfire. Together they will form the month's rimfire 900 and the month's 1800. There will be a 2700 match towards the end of the season on a Saturday. Check the schedule for dates and if there is a question please call.

## PPC HANDGUN MATCH

For more information, contact Greg Robbs at 573-430-8611

The PPC Match will require 45 rounds of center fire ammo each time you shoot a match. You may use a center fire double action revolver or a center fire auto loader handgun. You will need speed loaders and or extra magazines (three of each) for the handgun you use. A strong side holster is required (no cross draw or shoulder holsters allowed). You must have eye and ear protection along with a container to police your brass. A meeting will be held 1 hour prior to start time for any questions to be answered and to set match guidelines.

(FACTORY OPEN SIGHTS ONLY)

The entry fee will be \$10 per shooter, which will allow you to shoot as many times as you want. The only limit will be time and the number of shooters we have that day. All scores will be tallied with each shooter's best time recorded for the day. (NO DECLARING)

The four best shooter times at each match (3 matches) will all get together later in the year for a 3 match shootout for the top 4 shooters of the year.

### COURSE OF FIRE:

3 Yards	5 Rounds strong hand no support from holster draw	5 Seconds
3 Yards	5 Rounds weak hand no support from ready draw	5 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
7 Yards	5 Rounds strong hand no support from holster draw	8 Seconds
15 Yards	5 Rounds strong hand with support from holster draw Reload	20 Seconds
	5 Rounds weak hand with support	
25 Yards	5 Rounds strong hand with support from holster draw Reload	60 Seconds
	5 Rounds strong hand with support Reload	
	5 Rounds kneeling using table top support	

---

## 100 YARD HUNTING RIFLE MATCH

For more information, contact Tom Bridgewater at 573-883-6953

Any Factory Centerfire Hunting Rifle with a working safety, .243/6mm minimum caliber with a 2-1/2" wide semi or full beavertail stock. No muzzle brakes, ported barrels or tuners allowed. Semi-automatic rifles allowed but must use a brass catcher. Maximum scope power 6X, (variable scopes will be taped and cannot be used as a spotting scope) Entry fee \$10.00. Match will be 25 rounds per competitor, plus sighting shots.

**Target:** NBRSA 100 Yard Hunter Class Rifle Target #HBR-1. (5 Targets, plus sighter target per sheet.)  
One shot per each scoring target on the target sheet. (5 shots maximum per sheet on scoring targets. Unlimited rounds on the sighter target.) Competitors will be given 15 minutes per target sheet.

**Scoring:** Each target has a value of 6 to 10 points plus an X.  
Two or more shots on a record target, the lowest scoring shot will be recorded.  
Possible points per target sheet, 50 points, 5X.  
Possible points per match, 250 points, 25X. (Competitors will use 5 target sheets.)

**Rests:** Sand bags must be used.  
Front: May be Hoppies, Caldwell, Sinclair, Hart, Etc., with sand bag contacting rifle stock. Bipods allowed.  
Rear: Sand bag touching the stock.  
No one piece rest!

Custom guns will be in an unlimited class. (Custom means – custom action, custom stock, benchrest barrel or no safety).

## 50 YARD SCOPED RIMFIRE MATCH

For information, please contact Rick Rapert, 573-701-0377 rickrapert48@gmail.com

Fee: \$10.00 per match

Target: RBA 50yd target, consisting of 25 target blocks plus sighters.

Scoring: Each target block is worth 10 points, the innermost ring counts 10 points,  
Next ring is 9 points and each succeeding ring 1 point less,  
If a bullet touches a line or x shooter receives the highest point (best edge scoring)  
If a shot is within the target box but outside the largest ring, score is 4  
If more than one shot appears in target square, shooter receives lowest score minus 1  
A perfect score would be 250 25x  
A match will consist of 3 targets, for a possible score of 750-75x

Time limit: 20 minutes for 25 rounds.

**Sporter Class Rifle:** Any factory Rimfire rifle (22, 22Mag, 17 HMR, or 17 Mach 2)  
Any sporter or varmint weight barrel allowed. (non OEM barrels will no longer be allowed)  
Stock width cannot exceed 2 ½ inches at its widest point.  
Semi or full beavertail stock  
Forearm and butt stock that come in contact with front and rear sandbags must be convex, a small flat area where an accessory rail may be installed will be allowed  
Rifle must have a working safety.  
Tuners not allowed

Scope: 12X maximum. (Variable scopes will be taped.)

Rest: Sandbags must be used  
Front rest may be Hoppies, Caldwell, Hart, Sinclair, Etc., with sandbags touching stock. Bipods allowed.  
Rear, sandbag touching stock  
No one piece rest.

**Unlimited Class:** Any Rimfire rifle, any scope, any rest

---

## Harry White 3 Gun Match

For information, please contact Rick Rapert, 573-701-0377 rickrapert48@gmail.com

This is an innovative match requiring a Rimfire pistol, Rimfire rifle, and a Centerfire rifle.

Fee: \$10.00

Ammo: 40 rounds Rimfire, 10 rounds Centerfire, plus sighting shots

Target: Harry White 1 ½ inch circle with a ¼ inch dot in the center. Twenty circles per target for Match 1 and 2. Ten circles for Match 3.

Time Limit: Each match will be 20 minutes

Match 1: Any Rimfire pistol, 6X max scope or iron sights, to be fired at 25 yards. 20 rounds, one per circle.

Match 2: Any Rimfire rifle meeting Sporter Class rules (per Scoped Rimfire at 50 yards) to be fired at 50 yards, 20 rounds, one per circle.

Match 3: Any Factory Centerfire, varmint or hunting rifle, no benchrest class rifles. 36X max scope to be fired at 100 yards. 10 rounds, one per circle.

Rests:  
Sandbags must be used  
Front Rest may be Hoppies, Caldwell, Hart, Sinclair, Etc., with sandbag touching stock. Bipods Allowed.  
Rear: Sandbag touching the stock  
No one piece rest

# BOWLING PIN HANDGUN MATCH

Match Captains: Ted Holland, (573) 883-0888, 67pinmatch@gmail.com  
Mike Stuhr, (314) 540-0305, mikenmarystuhr@gmail.com

Match Fee \$5.00  
Entry Fee is \$1.00 per pistol class

Registration: 8:00 am to 9:00 am.  
Safety Briefing: Starts at 9:00 am

Allowances for class registrations by an individual after a class has been completed will be at the review of the match captain.

Competitors will be positioned on a firing line in front of either a table or sawhorse with its front legs located 25 feet from the shooter and on which are standing a number of bowling pins specific to each pistol class as shown below. The objective is to clear all of the pins safely from the table or sawhorses in the lowest amount of time.

Competitors will start from a ready position and be given a start signal by an electronic timer, all as explained by the Match Captain at the match, and competitors will shoot and be timed individually. The time as recorded by the timer will be the shooter's score for a round. Three rounds will be shot for each class and the average of the three rounds will be the competitor's final score for that class. Competitors will have a maximum of 20 seconds to clear their pins and a round with any pins remaining after 20 seconds will be given a score of 20. Additionally, the performance by a competitor of an unsafe act on the firing line may result in the calling of an immediate "Cease Fire" and the competitor receiving a score of 20 for that round. A competitor who experiences a mechanical malfunction or jam during a round may be allowed a restart on that round only if no pins have been hit prior to the malfunction or jam.

Single action revolver and all pocket gun classes are shot with open sights. The use of other aiming devices, such as red dots, scopes, etc., is permitted in all other classes, but such devices are not required.

Class Name	Additional Info*	Pins	Table/Sawhorse
.22 Semi Auto		5	Sawhorse
.22 Single Action Revolver	SA revolvers only	4	Sawhorse
.22 Double Action Revolver	DA revolvers only	5	Sawhorse
.38/.357 Double Action Revolver	DA revolvers only, from .30 to less than .41	5	Table
.44 Double Action Revolver	DA revolvers only, .41 and larger	5	Table
9 mm Semi Auto	.30 through .40 S&W	7	Table
.45 Semi Auto	.40 S&W through .45	5	Table
Pocket Auto	Barrel length less than 3"	3	Sawhorse
Pocket Revolver	Barrel length less than 3"	3	Sawhorse
Center fire, Single Action Revolver	SA revolvers only	4	Either

\*A single pistol may not be used in multiple classes. Competitor's pistols not meeting the descriptions above will be classed by the Match Captain. (If you have it, bring it and we will find a class for it.)

---

## RIM FIRE RIFLE BOWLING PIN MATCH

FOR INFO. CONTACT Tony Robbs arjrrobbs@att.net

Match Fee: \$5.00      Entry fee: \$1.00 per class  
8 class total  
Sign in & Set up @ 8:00 to 9:00 Start Shooting @ 9:00

The classes with number of pins for each class

If all pins are not cleared it will be a no score.  
There will be 2 rounds of shooting in each class with a time for each round.  
The two times will be used to get the average.

# PPDS - Pistol Match

( Practical Pistol Defense Shooting )

For more information, contact Tom Hilbert 314-808-6654 thilbert@brick.net

Our Club Version of IDPA with a plus factor

Objective: To make an attempt, to be put into a real-life defense situation.

Shooting stages will be different for each match.

You will have to move forward and forward-laterally as you address the targets being timed and scored for hit points. Shooting from the open and from behind barricades. There will be a time/point penalty for shooting from outside of the out of bound marks. There will NOT be any shooting from your knees or prone. All shooting will be in the upright position, but maybe a leaning position here or there. Standard IDPA / IPSC targets will be used with a steel popper or two. Equipment needed is pretty much what everyone already has. Center fire semi-auto pistols with **Factory Open Sights. NO race guns.**

This year we are going to try a Single Stack Division and a Double Stack Division. The same course of fire for both Divisions. At your first match for the season you will make your decision on which Division you will be scored on for the rest of the season. You may shoot the other Division without score, if time is available. Service type holsters and magazines – the same as used in the PPC matches. Rounds per stage could be 22 plus or minus. Typically, 4 stages. So 100 rounds may not be enough. Ammo Up.

Stage layout plan will be pre-determined by the Match Captain before match day. Anyone helping with stage setup may bring to attention any safety issues, but NO changes to the fundamental layout will be made.

Entry Fee \$15 per shooter.

Additional \$5 if you shoot the other division,

---

## 200/300 YARD CENTERFIRE VARMINT MATCHES

For more information, contact Tom Bridgewater at 573-883-6953

Any Factory Centerfire Varmint rifle .22cal - .30cal with a working safety, no magnums. Custom barrels will be allowed. No muzzle brakes, ported barrels or tuners. Any scope allowed.

Each class is scored by time.

The racks will be set at 30 feet and the pedestals will be at 35 feet from where the shooters will stand.

---

End of Match Rules

## **Range Safety**

Summer is here and the range will once again be busy with shooters honing their skills. Safety is a very important part of your shoot experience and should be number one on your mind. All shooters need to wear hearing and eye protection. In the past we have had shooters have weapon malfunctions causing powder, bullet fragments and weapon fragments blow back in to the face. The use of eye protection has saved their eye sight.

The 67 Gun Club has a great safety record. If you are at the range and see someone not using safe shooting skills please ask them to correct their mistake. If the shooter gets confrontational or refuses, walk away and record the shooter's license plate number, later contact club leadership with the information.

Also remember that all weapons must be unloaded with the bolt to the rear or removed before anyone goes down range to check targets. A chamber indicator should also be in place, indicators can be found on the post at the range.

Remember safety first and enjoy shooting!

---

## **E-Mail Updates**

Want to get more range updates and current information on matches? E-mail the club at [67gunclubinc@gmail.com](mailto:67gunclubinc@gmail.com) During the summer the Secretary will send out e-mail updates and news.

---

***Enjoy the Range and Be Safe***

---

## Send in your pictures from the range

We are always looking for pictures taken at the range of shooters enjoying the range. Pictures will be posted on the club website. Please email them to [67gunclubinc@gmail.com](mailto:67gunclubinc@gmail.com)

---

## Safety First

### **Always Wear Ear and Eye Protection.**

**Accidents happen when we least expect them.  
Anything manufactured by man can malfunction.**

---

## Gongs

Gongs are installed at 200 and 300 yards for your shooting pleasure. These gongs are not cheap to purchase and maintain. We ask shooters to **not** use steel core ammo or armor piercing rounds on the gongs. Do not shoot the chains that hold the gongs, we have some members that think shooting the chains are fun. If you want gongs at 50 or 100 yards, bring your own to shoot. The gongs the club placed at 50 and 100 yards were shot full of holes and shot off the chains in just one week. The gongs are made of  $\frac{3}{4}$ " thick Ar500 steel and can be damaged with some ammo.

---

## Annual Swap Meet

26 October 2019, 9am – 2pm

Each year in October the club has a swap meet to buy and sell everything gun related. Come out and sell some of your stuff, come buy and come look and talk. There are rifles, shotguns, handguns, scopes, reloading equipment and supplies, gun cases, ammo, and many more items. There is always a good deal if you come out and look. You can also renew your club membership at the swap meet.

---

## IF YOUR MOTHER CLEANS UP AFTER YOU BRING HER WITH YOU!

The range is your range to use, it is always nice to come out to a nice clean well-kept place to shoot and enjoy. There are trash cans on all ranges so please clean up after yourself when you are done shooting. If you notice a trash can is getting full please take the time to empty it in to the dumpster. If you see someone leaving a mess tell them nicely to clean up. Clean up your target mess at the target backers; leave the range clean when you leave.

Don't leave your cigarette butts on the ground. This past fall several of our smoking members picked up all the butts, and it was a lot. Cans have been placed for your butt in the shooting areas, USE THEM!
