2021 Match Schedule

The 2021 Match Schedule is ready. A copy can be found in this newsletter, on the website and at the range. The schedule is long this year with many dates when the range will be in use for matches. Put up a copy somewhere so you can check it before going to the range. Look it over and pick some matches to be in and have fun. The club matches are for fun and to hone your shooting skills. Come out and have fun with your fellow club members.

Range Maintenance

We're at the beginning of a full year of range usage. We as members have the obligation of keeping our range looking nice and well kept. By doing this it shows that we care and that we're proud of what we have.

A lot of work was performed around the property last year to brighten up the grounds. New rock was placed at the pistol, rifle, and high power portions and needless to say, it looks "GREAT".

With that said, while your at the range enjoying a shooting session, if your not keeping your spent brass to reload please pick it up and put it in one of the blue half barrels that are close by.

Some members take the brass for various reasons but mainly to keep it up out of the rocks. Let's show the same attention to the Steel cases also, some members have found them sticking in vehicle tires, not good.

President's Corner

Let's all say farewell to a year of grief, sickness and uncertainty, and hello to a New Year, 2021, a year that we can all hope brings us joy, happiness and good health. Club renewals ended as of 31 Dec. with the Club Secretary reporting a membership total of 489, the lowest it's been for a number of years. That will change as we get into the new year.

In the near future as you enter the range, please take notice of the new signs on the property. One at the gate as you enter that will identify who we are. Two at the handgun range that are new rules signs. Then finally, an 8' tall sign that you can't miss seeing. This sign has all the Club rules on it that we all need to make ourselves very familiar with. These rules must be observed at all times, your safety and everyone around you depends on you and you alone.

Any questions, call a Board Member, if you observe something wrong, make a note of the day, date and time it happed and a vehicle tag number, then get it to us. Let's all remember to keep our membership cards on our person while at the range, that's a must!

When you get the 2021 Match Schedule look it over very well and check it out before you make a trip to the range, there are some changes and additions made. Also look over the individual match rules for changes that you will need to know.

4H Youth will return again this year with more days on the schedule along with the addition of a second swap meet day in the spring.

A lot of Club information has been going out via Club E Mail with great success, if we don't have your E Mail address, please get it to us.

Everyone mark your calendars as to the upcoming Awards Banquet, 6 March 2021, at the American Legion Hall in Farmington, Mo.

Let's enjoy our range to it's fullest potential but with the utmost regard to our safety, also let's start a new trend this year, come to a club meeting!!

Our Club is based on our voices, our opinions, our care and our decisions, all of us, get on board to help make things happen.

Greg Robbs
President

Range Safety

Notice Notice Notice

When the firing line is called SAFE, the lights are running and the warning horn is sounding, this means someone is down range!!! During this time of SAFE, all firearms are to be on top of the shooting benches or in a rack, actions open, and not touched again until everyone is back from down range.

NO EXCEPTIONS!!!

We don't want or need anything going wrong. We all need to follow the rules.

Membership Cards

All members of the 67 Gun Club must have their current membership card on them while at the range. This is a Club policy that we need to follow. If asked to show you're your card, please do so, If you do not you will be asked to leave. Members should be proud to be a part of this Club and don't hesitate to prove it.

Spent Brass

While you're at the range enjoying a shooting session, if you're not keeping your spent brass to reload please pick it up and put it in one of the blue half barrels that are close by.

Some members take the brass for various reasons but mainly to keep it up out of the rocks. Let's show the same attention to the Steel cases also, some members have found them sticking in vehicle tires, not good.

Two Swap Meets

This year we will have two swap meets, one in the spring and one in the fall. The first one will be on Sunday May the 23rd 9am – 2pm. The fall swap meet will be on Sunday October the 31st 9am – 2pm. Mark the dates on your calendar and come out and buy, sell and BS with fellow shooters.

4H Youth Schedule for 2021

The local 4H youth will be using the range this year on select Thursday nights. Be sure to check the match schedule for dates they are using the range. Please do not bother them, let them use the range. They have a range captain and all the help they need.

Meeting Attendance

The club monthly business meeting attendance is very poor. We are 485+ strong but we allow about a dozen members to decide what goes on within the club, then members complain about the decisions made. Come to some meetings, make your voice heard, tell us your ideals on improvements, but most importantly be a motivated member in the Gun Club you enjoy.

Business meetings are held on the third Tuesday of each month a 7 pm at the St. Francois County Weber Road Facility located at 1101 Weber Rd. in Farmington.

Come to a meeting and meet the members that run your club!!
