Membership Renewal Time

It's that time of year again, time to renew your membership. Enclosed in the envelope that this newsletter came is a light blue membership renewal form. This form already has your name and information on it, make corrections as needed. If your form says proof of NRA membership is "required", then you must provide it, no exceptions on this. Membership renewal deadline is 31 Dec 2022.

Meeting Attendance

The club monthly business meeting attendance is very poor. We are 510+ strong but we allow about a dozen members to decide what goes on within the club. Come to some of the meetings, make your voice heard, tell us your ideas on improvements, but most importantly be a motivated member in the Gun Club you enjoy.

Business meetings are held on the third Tuesday of each month a 7 pm at the St. Francois County Weber Road Facility located at 1101 Weber Rd. in Farmington.

Come to a meeting and meet the members that run your club!!

President's Corner

Over the past few years, the Club and Range has grown into something great. Nothing quite like it anywhere in close to a hundred miles. We have grown to over Five Hundred Members strong, enlarging our footprint with many thoughts and ideas for the future. The one thing that I can't express more to everyone is to get involved in your Club. Your thoughts, ideas, opinions and most importantly is your vote when needed.

Monthly Meetings are held the Third Tuesday of each month at 1101 Weber Rd in Farmington at 7pm. Several thoughts and ideas are on the discussion table for the future. If you have any, please bring them to a meeting so we can talk about them. It's important to get involved!

Smoking

We have several members that smoke, and smoking is allowed at the range. We ask that if you do smoke respect nonsmokers and smoke away from them. Also DO NOT toss your cigarette butts on the ground, there are butt cans around the range to place your cigarette butts in. Help keep the range clean; we have several members that are at the range regularly and work hard to keep our range looking great. Again, if you smoke use the butt cans.

Membership Cards

All members of the 67 Gun Club must have their current membership card on them while at the range. This is a Club policy that we need to follow. If asked to show your card, please do so, If you do not you will be asked to leave. Members should be proud to be a part of this Club and don't hesitate to prove it.

Spent Brass

While you're at the range enjoying a shooting session, if you're not keeping your spent brass to reload, please pick it up and put it in one of the blue half barrels that are close by.

NRA Membership Discounts

Did you know that if you renew or join the NRA through your club that you can get a great discount? Current NRA membership rates through the club are:

Annual - \$35 (\$10 savings)
3 Year - \$85 (\$15 savings)
5 Year - \$125 (\$25 savings)
Life - \$1000 (\$500 saving)

The club also gets a small commission on each NRA renewal and new membership done with our club.

Contact Larry LaChance to get signed up for these great savings.

NO STEEL TARGETS ON THE HANDGUN RANGE

Clean-up Before You Leave

When you are done shooting at the range clean up before you leave. Toss trash into the trash cans, spent brass into the blue tubs and used targets removed from the backers. If you see a trash can getting full, take the time and empty it into the trash dumpster.

Shotgun Usage

Shotguns are NOT to be used on the rifle portion of the range. Use only the designated shotgun area on the south end of the high-power range. There are two shooting benches in this area and an orange snow fence movable backer there. Shotgun shots to the black backers do a large amount of damage to the frames and backers.

Advertise Your Business

As you may have noticed there are advertisements in this newsletter, this is a first for the club. To try and offset the high cost of printing and mailing of newsletter we have opened up advertising for 67 Gun Club member owned businesses. Contact Larry LaChance to advertise your business in the next newsletter.
